Enclosures (2)

Mr. Alan Jules Weberman

Enclosed are 23 pages. These pages are stapled into documents as the originals appear in our files. The documents are assembled and fastened together in two packages.

The first package represents the one main file maintained under Mr. Chance's name. Of the 11 pages in this main file none have been withheld in their entirety.

The second package contains documents from the files of other individuals or organizations, i.e., "see" references. In Mr. Chance's main file, reference is made to these additional documents and therefore, they are included in this release. Only those portions of the documents containing information pertaining to Mr. Chance have been processed. Any information concerning third parties has been deleted as it is considered to be outside the scope of your request.

A search for all "see" references was not undertaken. To verify most "see" references requires the submission of information identifying the individual(s) and/or organization(s) with whom Mr. Chance was associated and the time frame of the association(s).

Exemption (b)(1) was applied to withhold classified information.

Exemption (b)(7)(C) was applied to withhold the identities of FBI Special Agents. Also, certain information concerning other individuals was deleted under this exemption as its release would result in an unwarranted invasion of the personal privacy of those individuals.

Exemption (b)(7)(D) was applied to protect the identities of sources who supplied information to the Government under confidential circumstances. Also, any information which would tend to identify that source was also deleted under this exemption.

Mr. Alan Jules Weberman

The marginal notations which appear on the enclosed documents indicate the appropriate exemption for each excision.

The search for information in response to your request was limited to those records in our central records system which are maintained at FBI Headquarters, Washington, D. C. During any significant FBI criminal or intelligence investigation, all substantive information developed by one or more field offices is reported promptly to our Headquarters where it is compiled in a single investigative file. It is from such a file or files that the enclosed records were copied. If you believe files of a minor nature exist which may be responsive to your inquiry and which were never reported to Headquarters, you may write directly to any field office for those materials.

Re Milwaukee letter to Bureau dated 10/18/73; Milwaukee letter and LHM dated 1/20/72, captioned as above; Bureau letter to WFO dated 7/12/73, captioned "MIKE CHANCE, SM - YIP"; WFO letter to Bureau dated 8/14/73, captioned "MIKE CHANCE, SM - YIP."

For information of the Bureau [redacted], Milwaukee letter dated 10/18/73, set forth information that MIKE CHANCE mentioned in referenced letters did not appear to be identical to subject based on information that MIKE CHANCE was an alias [redacted] and also that sources at Madison, Wisconsin, were unable to furnish any information that subject traveled to Washington, D.C. b7D

Recent information has come to the attention of the Milwaukee Office which indicates that subject did travel to Washington, D. C., to participate in the YIP Smoke-In in July of 1973. This information came about as a result of information from WFO that MIKE FELLNER [redacted] attended the YIP demonstration and WFO furnished a photograph of the person who was identified as MIKE FELLNER. b7C b7D

On [redacted] the WFO photograph of MIKE FELLNER was displayed to [redacted], who identified the photo as that of MICHAEL CHANCE. b7D

On [REDACTED], [REDACTED] advised that subject is currently residing at 214 Schley Pass and is not known to be employed. b7D

Based on the above, it appears that subject was in Washington, D. C., during the YIP Smoke-In and information that MIKE CHANCE was an alias [REDACTED] appears to be erroneous. b7D

For the further information of the Bureau, there is no additional information of a pertinent nature regarding subject's activities since submission of referenced LHM and Milwaukee does not feel that further investigation is warranted at this time and is, therefore, closing its case and will follow administratively.
